NATURAL YAPI

Mobil otellerimiz, doğaya dayanacak şekilde doğada inşa edilmiştir. Doğanın en güçlü kuvvetlerine - rüzgara, suya ve hatta kışa dayanıklıdır. Çadırlarımız demirlendiğinde, saatte 100 km'den daha hızlı rüzgarlara dayanabilir.

Doğası gereği alev geciktirici lifler, ekstra güvenlik ve koruma sağlar. Alev geciktirici tekstil malzemesi, yanma, için için yanma ve kıvılcımları engeller.

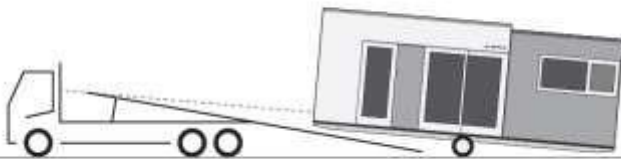

Her Őeyden nce konfor
